

2/3: The Amorality of Web 2.0

Caryn Lesuma

Feb 01 08:34 AM

Please read NM article 2-B, "The Amorality of Web 2.0," by Nicholas Carr. This article was written on Carr's blog as a response to Kevin Kelly's "We are the Web."

Choose 1-2 questions to answer in a full paragraph on this thread (make sure this is done before 5 p.m. the day before class), and post responses to **two** of your classmates' posts before class starts on Friday.

About the Text

What sort of argument do you expect, based on the title?

Why is the author writing to this particular audience about this issue? What does he want the audience to think/feel/do after reading this text?

For the Reader

Do you agree or disagree with the text's argument?

What words, images, or phrases stand out to you? Why?

What assumptions do you think this text made about you as a reader?
